### Youth/Adult Ratios

- Must have 1 adult per 6 youth.
- Must have at least 2 adults in attendance (even if you only have 6 youth).
- Must have 1 adult of each gender if you have both boys and girls in attendance.
- Youth who have not completed 5<sup>th</sup> grade that attend the trip, must have a parent or an adult come making a 1:1 ratio.
- If there is a married couple or a couple that is related, they count as 1 adult on the trip. (According to our child policy, since married couples cannot testify against one another in court).
- There must be two adults sleeping in the same room as youth. If that cannot be done, adults will sleep in a separate room from youth.
